MEMORANDUM FOR: The Honorable James B. Edwards
The Secretary of Energy

SUBJECT: RISING STAR Interagency Exercise

I appreciate your memo dated 5 April 1982 outlining the objectives of Exercise RISING STAR. I am pleased to inform you that representatives of the Directorate of Operations of the CIA have been actively engaged for the last six months in supporting the planning and development of this worthwhile endeavor. We are looking forward to the 5-6 May dates as an excellent opportunity to test the U.S. Government's effectiveness in dealing with a major terrorist threat against the U.S. mainland. We will also be participating in post-exercise analysis to be held later in May.
